4TH INTERNATIONAL CONFERENCE

ICRASETM 2026

Recent Advances in Science,
Engineering, Technology
and Management

04th–05th September 2026

Pune, India

CALL FOR PAPERS

A global platform for research,
innovation and collaboration.

ICRASETM 2026 provides a collaborative and interdisciplinary platform for global researchers, educators, academicians and professionals.

The conference promotes the exchange of innovative research, cutting-edge methodologies and impactful practices across science, engineering, technology and management.

It aims to foster dialogue, strengthen cross-disciplinary connections and address contemporary challenges.

By exploring emerging trends and effective strategies, ICRASETM 2026 seeks to advance knowledge and support technology-driven academic solutions.

CONFERENCE OBJECTIVES

- Establish a vibrant global platform for scholars and practitioners.
- Encourage interdisciplinary research and international collaboration.
- Exchange innovative methodologies and emerging technologies.
- Highlight recent advances across science, engineering and management.
- Connect academia, industry and professional communities.
- Address contemporary academic and professional challenges.
- Contribute to knowledge advancement and socially responsive solutions.
